

QUALITY POLICY

Quality Fasteners strives to continuously meet and exceed our customers' requirements and expectations while working in a safe environment. Quality Fasteners routinely diversifies its product lines based on our customers' requirements to become a leading regional distributor of industrial supplies. We work with vendors who share our commitment to quality, on-time delivery and continuous improvement in our supplies to make us competitive.

To meet customers' requirements, Quality Fasteners operates a Quality Management System per ISO 9001:2015 and continually improves its effectiveness through the review of established quality objectives, procedures and risk analysis. Top management shall ensure that every employee complies fully with this quality management system.
